HMH's curriculum aims to foster not only content knowledge but also competencies such as problem-solving, communication, and digital literacy.

English Language Arts: Building Literacy

and Critical Thinking

In the 7th-grade ELA curriculum, Houghton Mifflin Harcourt offers a blend of classic and contemporary texts, designed to improve reading comprehension, vocabulary, and writing skills. Additionally, digital resources complement print materials through interactive activities, formative assessments, and personalized feedback, which can enhance student engagement and support differentiated instruction.

Mathematics: Conceptual Understanding Meets Practical Application

The 7th-grade math resources from Houghton Mifflin Harcourt focus on key areas such as ratios and proportional relationships, operations with rational numbers, expressions and equations, geometry, and statistics.
