Maintaining a simple changelog provides context for updates and allows users to understand what has changed between versions. This is especially important in professional and collaborative environments.

Tagging and categorization strategies
Tags provide flexible organization beyond fixed folder structures. Applying descriptive tags allows PDFs to belong to multiple categories without duplication. For example, Raymond Murphy English Grammar In Use Advanced can be tagged by topic, audience, or usage type, making it easier to retrieve in different contexts.

Tagging systems work best when controlled and consistent. Establishing guidelines for tag usage prevents fragmentation and maintains clarity within the library.
