Overview of Matthew Currie Ford's Used Car Inventory

Matthew Currie Ford is a well-established dealership known primarily for its new Ford vehicles, but its used car division has steadily grown in prominence. The used car lot showcases a diverse range of vehicles, including domestics, imports, SUVs, trucks, and sedans, which caters to a broad spectrum of consumer needs and preferences.

Variety and Selection

One of the standout features of Matthew Currie Ford used cars is the variety within their inventory. Customers can find:

1. Certified Pre-Owned Ford vehicles with extended warranties
2. Popular models like Ford F-150, Escape, and Explorer in used condition
3. Non-Ford brands including Toyota, Honda, Chevrolet, and Nissan
4. Economical compact cars, family-oriented SUVs, and rugged trucks

This diversity ensures that buyers are not restricted to a single brand or vehicle type, allowing for more personalized choices aligned with budget and lifestyle.

Condition and Certification

An important aspect of buying used cars is the assurance of vehicle condition. Matthew Currie Ford offers certified pre-owned (CPO) options, which undergo rigorous inspections and meet specific standards set by Ford. These inspections typically cover mechanical components, safety features, and cosmetic conditions, ensuring the vehicle is in optimal shape. Certified pre-owned vehicles from Matthew Currie Ford come with warranties that provide additional peace of mind, a factor that many buyers find crucial when considering used cars. For non-CPO cars, the dealership provides detailed vehicle history reports, which include previous ownership, accident history, and maintenance records.

Customer Experience and Dealership Practices

Buying a used car involves more than just the vehicle itself; the dealership's transparency, pricing, and customer service play significant roles in the overall experience.

Pricing Transparency and Financing Options

Matthew Currie Ford used cars are competitively priced, often reflecting current market trends and vehicle condition. The dealership's online platform allows prospective buyers to browse inventory with clear pricing, enabling price comparisons without visiting in person initially.
