What is the Samagra Question Pool with Answer?

The samagra question pool with answer refers to a comprehensive collection of questions and their corresponding answers, organized systematically to cover various subjects and topics. The term "samagra" itself means "complete" or "holistic," reflecting the intention to cover the syllabus thoroughly. This question bank includes multiple-choice questions (MCQs), short answers, long answers, and sometimes even project-based or application-oriented questions. Having answers provided alongside the questions helps students verify their responses instantly and understand the correct concepts without searching for explanations elsewhere.
