How to Get the Most Out of Your 365 French Words a Year Page a Day Calendar 2017

Owning the calendar is just the first step. To truly benefit from it, incorporating a few simple strategies can enhance your learning experience.

Start Your Day with French

Make it a morning ritual to flip the page and say the word aloud. Pronunciation is key in language learning, and hearing yourself speak the word reinforces your memory. Pair this with listening to

native speakers online for better accent acquisition.

Keep a Language Journal

Jot down each day’s word in a notebook along with your own example sentence. Writing helps reinforce memory and encourages active use of vocabulary rather than passive recognition.

Use the Words Throughout Your Day

Challenge yourself to use the new word in conversation or writing. Whether chatting with a friend, writing social media posts, or even thinking to yourself in French, active usage cements the word in your brain.

Review Regularly

At the end of each week or month, glance back at previous words. Repetition is vital for transferring vocabulary from short-term to long-term memory. You could create flashcards or use spaced repetition apps to complement the calendar.
