This eighth book, published in 2005, follows the events of *The Book of the Dead* and sets the stage for further adventures in the series.

The Plot at a Glance

At its core, *The Wheel of Darkness* combines elements of supernatural folklore with modern-day thriller tropes. The story kicks off when Pendergast is called to investigate the disappearance of a wealthy art collector. What begins as a conventional missing-person case quickly evolves into a much darker and more complex mystery involving Tibetan artifacts and a sinister cult. This blending of fact and fiction is a hallmark of the Pendergast novels, offering readers both intellectual stimulation and high-stakes excitement.
