While physical result slips remain in use, especially

MANEB's hybrid approach ensures inclusivity by accommodating both traditional and modern preferences.

3. **Data-Driven Policy Making:** Real-time access to aggregated result data assists policymakers in identifying trends and areas needing intervention.

Additionally, the availability of these results in digital formats aligns with Malawi's broader digital transformation goals, fostering increased integration of technology in education.

Potential Challenges and Considerations

Despite the benefits, certain limitations and concerns accompany the digital release of MSCE results:

1. **Digital Divide:** Unequal access to reliable internet services can disadvantage some students.
2. **Security Risks:** Ensuring the integrity and confidentiality of results data requires robust cybersecurity measures.
3. **Technical Glitches:** System overloads during peak result release periods may cause temporary access issues.

Addressing these challenges requires ongoing investment in infrastructure, public awareness campaigns, and collaboration between MANEB, educational institutions, and government agencies.
