What is JA BizTown?

JA BizTown is a dynamic, hands-on learning simulation created by Junior Achievement that replicates an actual town where students become citizens, employees, and business owners. The

program aims to teach essential life skills such as money management, teamwork, workplace readiness, and community involvement. Through real-life scenarios, students learn how a local economy functions and the importance of financial responsibility.

Understanding the JA BizTown Experience

At JA BizTown, students step into roles like bankers, marketers, city council members, or entrepreneurs. They learn to manage paychecks, create budgets, make purchases, pay taxes, and even participate in local government decisions. The program spans several hours, during which participants apply classroom lessons in a practical setting that fosters critical thinking and collaboration.
